CHICAGO, March 16.—The young social set on the north side may now loil back with minds at ease. Mrs. Clifford Victor Herbert, daughter-in-law of Victor Herbert, the composer, has been found. She was not run away. There was no mystery connected with her disappearance. It was all the result of an undelivered telegram.

Mrs. Herbert was located at the Hotel Julien-Dubuche, Dubuque, Iowa. She had gone there Saturday night with an old friend, Mrs. Beulah "Buddy" Walton, a vaudeville actress. She had decided to suddenly.

Her husband, who is connected with a loop brokerage firm, was in Detroit.

day, after a long and successful career, and when its use has become almost universal, only the same honest claim is made for it that it will relieve those diseases and disorders arising from an impoverished condition of the blood. Time makes no mistakes, and the very best recommendation of S. S. is the fact that it has stood a test and is now more generally used than ever before, and has the confidence, we believe, of a greater number of people than any other blood medicine.

The blood is the most vital fluid of life; every organ, nerve, muscle and tissue and sinew of the body is dependent on it for nourishment and strength, and it circulates through the system, pure and rich, it furnishes these different members with the healthful properties needed to serve them and enable them to perform their various duties. So long as the blood remains free from infection we are apt to escape from disease, but any impurity, humor or poison acts injuriously on the system and affects the general health.

tion, etc.; but whatever the cause, the blood must be purified before the body can be healthy.

S. S. S. is a natural blood purifier and tonic. It is made entirely of the harmless juices and extracts of roots, herbs and barks of recognized medicinal value, and being free from all harmful minerals is an absolutely safe, medicine for young or old. S. S. S. goes into the circulation. It freshens up, enriches the blood and will do for you what it has done for thousands of others. S. S. S. is the most reliable and at the same time a most pleasant acting medicine for those whose blood has become impoverished and needs building up.

A course of S. S. S. will prove to you its great efficacy, as it has in numerous other cases which have been reported to us by grateful patients.

Do not continue to suffer because of wrong treatment, but go to your drugstore and commence taking S. S. S. today.

Also write fully to our health physician, who will give you full instructions about your own case.
